

Beat the 'Capacity Crunch' with special offers from e³

advanced marine electronics

e VSAT

Free iPad or iPhone. The perfect offer to give you complete internet cover this season with the USAT24 antenna, eVSAT Bronze service and e3G Service package.

A free iPad or iPhone It's as easy as 1-2-3

This year is the year of the well predicted 'capacity crunch'. Mobile phone operators have been inundated with new users on iPhones, iPads, Blackberry and other smart phones causing congestion on 3G networks.

e3 Systems have developed a special offer combining VSAT and 3G which will help our customers manage data needs this summer.

1. USAT24 from Sea Tel Cobham

a 60cm antenna weighing just 45kg
(8 Watt BUC and Wide Band LNB
included for coverage right to the edge
of the footprint)

USD 28,500

2. eVSAT Bronze Budget Service

Mediterranean/Caribbean 128/256kbps
(minimum 6 month contract)

USD 750 per month

3. e3G SFR or Vodafone Spain 3G contract

(minimum 6 month contract)

€45 per month

Customers signing up for the 1-2-3 bundle above will get a free iPhone or iPad, compliments of e3 Systems. (iPhones to be offered with Vodafone Spain contracts and iPads with SFR contracts)

(Prices exclusive of VAT, shipping, taxes, installation and subject to e3 normal contract conditions)
