

# Compaq 500B Desktop PC series

## Master the Basics

Windows®. Life without Walls™. Compaq recommends Windows 7.

## Compaq 500B Desktop PC series

Stimulate your  
workday with  
style

Let the Compaq 500B Microtower PC take your business to new places with stylish efficiency at a price that won't break your bank. Stimulate your work day with proven Intel® technology and expandability designed to suit your needs.

### **Stylish Simplicity**

An all new Compaq design built for both style and function that is easy on the eyes, easy to setup and easy to use. Convenient front access to USB ports and audio ports help you keep things moving for your day-to-day computing. Get to work right out of the box with preinstalled business applications and the functionality you need to operate effectively from day one.

### **Essential Technology**

Handle your business efficiently and have some fun with reliable performance you can count on. Equip your business with proven Intel® processors, chipset and Graphics Media Accelerator, genuine Windows® 7 Professional Operating System, a hard drive up to 500 GB and up to 4 GB DDR 3 SDRAM memory.

### **Flexible enough to suit you well**

Customize your PC to meet your business needs with PCI Express (PCIe) slots and an optional optical drive. Data transfer and storage is quick and simple with the HP 6-in-1 Media Card Reader and a SuperMulti LightScribe DVD Writer Drive that lets you burn professional-quality labels directly to your LightScribe DVDs.

Enhance your experience even more with options designed to help you get the job done, such as discrete graphics cards.

### **Built to last**

With more than 130,000 hours of testing, you get a reliable and durable desktop that can go the distance.
